Dear Matt Stager Scholarship Committee:

My name is Samantha Kilpack. I am an Honors Program student at Westminster College and am majoring in philosophy and sociology and minor in Spanish. The coming academic year will be my last of my undergraduate career. I work at Smith's Food and Drug as a bookkeeper and a human resources manager.

I would like to sincerely thank the scholarship committee for selecting me as a scholarship recipient. Any financial help I can get is greatly appreciated, as Westminster is an expensive school, but well worth the expense. It is because of the generosity of donors of these scholarships that students like me can enjoy a college career with a little less stress about how to pay for it.

Sincerely,

Samantha Kilpack
