Dear Matt Stager Scholarship Committee:

I would first like to thank the scholarship committee for selecting me as a recipient of the Matt Stager Memorial Scholarship.

I have recently graduated from Canfield High School in Canfield, Ohio. I graduated 10th in my class of 235, was a member of the National Honor Society, Young Leaders, Y-teens and was a 4 year letter winner in softball. I recently was chosen as our school's representative for the Young Women with Bright Futures Award. I have also received two Scholar Athlete awards as well. Although softball has been my passion for 12 years, I have decided not to play in college and focus on my education instead. I will be attending Youngstown State University in the fall to major in Engineering. I hope to get involved in community service through my university and continue my service through my church as well.

Once again, thank you so much,

Gina Mancini
